"We look forward to welcoming you to our family of students from around the world here at Central Bedfordshire College and helping you achieve your goals in life."

Ali Hadawi CBE, Principal and Chief Executive

IELTS - ENGLISH FOR STUDY AND WORK

We run courses for people who need to take the IELTS exam and improve their scores for employers and colleges.

This includes academic and general English.

We offer exam practice and build your confidence with everyday scenarios.

HIGHER EDUCATION

We offer highly vocational qualifications – which means they are designed to get you into the job you want.

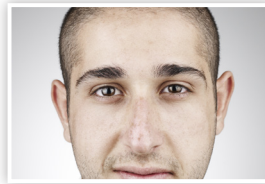

On completion you could progress on to a full degree – completed at university – or to take away a higher education qualification and go straight into the workplace.

At higher education level, we do: Art, design media, performing arts, child care, computing, IT and teacher education.

YOUR WELL-BEING

At Central Bedfordshire College we want all our students to succeed and be happy – not just while they study with us but after they move on in life.

We have policies, procedures and staff in place to ensure you are able to benefit from your learning experience regardless of your race, nationality, sex, sexual orientation, and any disabilities you may have.

VISA APPLICATIONS

We can give general advice on visa applications and the UK Border Agency – which controls migration to the UK – recognises us as a legitimate educational institution – and has given us “Highly Trusted Sponsor” status.

ACCOMMODATION

We will help you find accommodation in the short-term with low-cost hotels and in the long-term by working with local landlords

We will also help you with the paperwork involved in starting your accommodation arrangement.

We also provide an airport pick-up service for international students.

GETTING AROUND

The college is connected to nearby Luton by a new busway service which avoids the traffic and stops right outside the college.

Luton station provides easy direct journeys into the centre of London and other parts of the country.

The airport provides low-cost flights to many countries and the railway network provides easy access to other London airports.

WHERE ARE WE

The college is located in the centre of Dunstable and with a large international community you will feel right at home.

Central Bedfordshire College

London Luton Airport

8.3 miles 14 minutes

Central Bedfordshire College

London City Centre

38.4 miles 59 minutes
