

Noor Jassim Mohammed

HP Number : +964-7821810252

PERSONAL INFORMATION

Age : 33 years old
Gender : Female
Date of Birth : 10th January 1987
Race : Arab
Nationality : Iraqi
Marital Status : Married

EDUCATION BACKGROUND

University of Basra (2013)

Certification : Master's Degree
Field of Study : Master of Engineering (Material)

University of Basra (2004 to 2008)

Certification : Bachelor's Degree
Field of Study : Material Engineering

KNOWLEDGE AND SKILLS

- Good command of English and Arabic language – written and oral
- IT literate with knowledge of standard MS systems.
- Ability to evaluate and interpret the mechanical testing result (tensile, bend test, macrograph of weld, chemical composition)
- Ability to assist and carry out corrosion engineering work .

WORKING EXPERIENCE

1. Iraq university colledge (2013 to 2021)

Lecturer at Iraq university colledge, Basra for below:

- **ECDL,**
- **Engineering drawing,**
- **Strength of materials,**
- **Statistics,**
- **Building materials, and mathematics.**

MASTER PROJECT

Title: Estimation study of the Remaining Life of Boiler/Furnce Tubes Under the Effects of Creep Rupture and Erosion

COMPUTER SKILLS/LITERACY

Operation System: Windows, Microsoft Office, Microsoft Project, AutoCAD

Published paper

Estimation study of the Remaining Life of Boiler/Furnce Tubes Under the Effects of Creep Rupture and Erosion, Iraqi journal for mechanical and materials engineering.
